NOTE FROM MR. JOHN J. MITCHELL
December 11, 1951

Dear Frank,

I released a story to a Mr. Oscar W. Reschke, Deutsche Presse Agentur (home address: 4301 Massachusetts Avenue, N. W., telephone ORdway 7954). He showed me his press gallery pass and told me that he was an official accredited correspondent and represented 12-1500 newspapers in West Germany.

I just spoke to him a few minutes ago and he told me that he had written a very good story on Colonel Stewart's testimony. He does not know if it was published in Germany. His contact in Germany is a Dr. Buechsenschuetz, address: DPA, Hamburg. Is it possible for you to ascertain if anything was published in the German papers in the Western Zone.

John J. Mitchell.
